

JEE-Main & NEET

11th - 12th PCMB

Vivek Pawgi (B.Tech Computer Engineering COEP)

- 10 years of professional teaching experience with more than 300 of his students securing ranks in MH-CET, NTS, MTS, Mathex and other scholarship exams.
- Many students have secured their admissions in prestigious colleges like COEP, B.J.Medical, PICT, VIT, MIT etc.
- 5th Merit holder in 12th standard HSC Board exam (95.17 %).
- 141/150 in MH-CET 2004 with 36th rank in Maharashtra (1st Batch of CET).
- Throughout distinction in 4 years of engineering.
- Scholarships like National Talent Search, Maharashtra Talent Search, Mathematics Olympiad, Mathex, Ganit Parangat, Government Scholarship, Jain Scholarship etc.

Salient Features of the Course

- ✓ **Simultaneous preparation for 12th Board Exam & JEE Main with equal weightage to both.**
- ✓ Qualified Faculty with unparalleled commitment for academic future of students
- ✓ **Saturday and Sunday** - Extensive practice of multiple choice questions for JEE-Main exam.
- ✓ By using Audio-Visual aids, Animations, Video Lectures, circuit simulators and advanced learning methodologies, we bring about qualitative improvement in the entire learning process.
- ✓ As there is no generation gap between the students and faculty, friendly atmosphere is maintained and students feel free to ask their doubts and queries.
- ✓ We provide printed notes and weekly tests are conducted.

As per new government rules, 50% weightage will be given to 12th Board Exam marks while remaining 50% will be for JEE Mains Exam (1st Level). Hence, importance of 12th Board Exam has increased than ever before. After recent upgradation in 12th HSC syllabus, it has become challenging and now it is almost at par with CBSE syllabus. It is our firm opinion that students studying simultaneously for JEE MAIN and 12th board exam can perform very well in both and they can easily secure their admissions into good engineering colleges. It should be noted that JEE Advanced Exam (2nd Level) is very tough and is meant only for IIT aspirants. Others need not prepare for it. It is a misconception that students preparing for JEE advanced automatically score well in Board exam. On the contrary, many of them loose focus and they can neither clear the mains exam (1st Level) nor score well in Board Exam.

Contact 8975089898 , 9373473087

Timings :

Morning Batch - 7.00 am to 9.30 am

Afternoon Batch - 3.15 pm to 5.45 pm

Saturday and Sunday will be reserved for JEE Main.

Batches will start from 19th June 2014.

Venue :

Coherence Academy, Hari Om Empire, Off Senapati Bapat Road, Near Deep Bunglow Chowk, Pune – 411016

Directions – Take turn from S.B.Road towards deep bunglow chowk, on left after 8-9 buildings, next to Chandralok Housing Society.

Office Timing – 11.00 am to 8.00 pm (Sunday Holiday)

JEE Main Results

Cut-off for JEE Advanced – 115

Students selected for JEE Advanced (2nd Level) through JEE Main (1st Level)
